Hi Allison,

Jenny made all of the arrangements and given the east coast folks like yourself, she scheduled the CZARA topic to go first. It was a last minute decision. The idea is to begin the conversation on April 22 and continue on April 24. I don't think they can get everyone needed at another time. I will call you tomorrow to further discuss this...

So sorry that the folks here can't seem to understand meetings including east coast folks must be held during the mornings.

Hi Jayne--

I know this meeting is larger than just CZARA so more in Jenny's realm than yours but looks like (b) (6) Any way this could be moved earlier in the day? (b) (6) will miss the last 30 min discussion on the CZARA topic.

Allison
